

2019

What 2019 means....

1. One year prior to 2020 Tokyo Olympic and Paralympic Games....
2. 10th anniversary of GOSAT's successful launch (2009), and
3. Just after GOSAT-2 launch in FY2018 (and we will be so busy...)

Some notes

- We will keep all of you informed.
 - Website
 - Mailing List

- How many participants ?
 - Registered Participants
 - Kyoto (2016) = 135
 - Helsinki (2017) = 168
 - Toronto (2018) = 186
 - My Excel suggests that Sapporo participant will be more than 210.
 - There may be positive “Hokkaido” bias.
 - May change the venue to accomodate more participants.

- From Monday? Tuesday? Wednesday?

- Hokkaido sightseeing high-season starts mid June...

Hokkaido University

- Established in 1876 as Sapporo Agricultural College.
- One of largest universities in Japan, with 18,000 students, 12 Department, and 19 graduate school
